

JR'S BULLET PEN'S

SSG CHRIS FALKEL - a member of SFODA 316 - was KIA on 8 August 2005, saving the lives of his team. Chris was awarded the Silver Star for his bravery and valor. Chris was called "Junior" by his team. Chris was always making things out of bullet cases; he wanted to make a pen out of a shell casing but never got the chance, so these pens are dedicated to you, my Son.

Over 30% of the sale of every Junior's Bullet Pen goes to organizations supporting the Special Forces Community, such as, The Special Operations Warrior Foundation, The Green Beret Foundation, and The Task force Dagger Foundation. These organizations take care of Chris' Special Forces family and the Special Operations Community as well.

Please contact us at www.juniorsbulletpens.com to discuss Chris, his company or any aspect of Junior's Bullet Pens at jeff@juniorsbulletpens.com or feel free to call (720) 234-3166.

Thank you so much for your consideration and help.

Jeff Falkel
